ABOUT US

Since 2000, Sensatia Botanicals is an Indonesian beauty care brand dedicated to offer naturally effective products. It has been granted GMP (Good Manufacturing Practice) Certification under the ASEAN Cosmetic Directive and Halal Certification by the Ministry of Religious Affair of the Republic of Indonesia. Sensatia Botanicals is committed to minimize its environmental footprint while continuously empowers local community by hiring residents of Karangasem, an area where the brand was founded, resulting with over 70% of the total employees.

These amenity products are sulfates-free which means zero toxic chemical build up in the waterway that could affect aquatic environments. They contain zero toxic chemicals that greatly diminish the potential to pollute groundwater making it safe even when rinsed down the drain and ends up in water systems. All of the products are packaged in 100% Post-Consumer Recycled Plastic (PCR), making them not only good for the skin but also for the environment. Made in Bali, with globally sourced ingredients, all Sensatia Botanicals products are cruelty-free, free of parabens, palm oil, synthetic dyes and artificial fragrances.
